

David & Nadia

Wine of origin Swartland

David & Nadia is a family owned Swartland driven project and we focus on a spectrum of organic, old and dry land bush vine vineyards from different areas with different soil types throughout the Swartland, farmed by like-minded people. We are members of the Swartland Independent Producers.

In the vineyard we aim for biological farming and in the cellar we work as natural as possible. It is all about the soil and vineyards after all. We believe in a pure, fresh and natural style where site and soil are at work with minimal influence from a winemaking point of view.

Elpidios 2020

Grenache noir (38%), Syrah (36%), Cinsaut (10%), Carignan (9%) and Pinotage (7%).

This Grenache noir based blend was produced from grapes from 12 different vineyards harvested in 16 lots. The 2020 vintage again includes a portion of wine that was fermented and matured in a concrete vessel – both Grenache and Syrah. Along with the concrete vessels, the wine was also matured in old 500 L neutral French oak barrels and a 4 100 L foudre (Pinotage). The Elpidios is produced in similar fashion to our main Grenache noir in terms of long, gentle extraction, the use of 50% on average whole bunches and then pressed off. After bottling, the wine was aged in bottle for 18 months before release. This vintage is again based on grapes grown in granite soils from the Paardeberg, blended with structured shale/schists from the east, clay rich soils from the north and iron rich soils from the west.
