

David & Nadia

Wine of origin Swartland

David & Nadia is a family owned Swartland driven project and we focus on a spectrum of organic, old and dry land bush vine vineyards from different areas with different soil types throughout the Swartland, farmed by like-minded people. We are members of the Swartland Independent Producers.

In the vineyard we aim for biological farming and in the cellar we work as natural as possible. It is all about the soil and vineyards after all. We believe in a pure, fresh and natural style where site and soil are at work with minimal influence from a winemaking point of view.

Rondevlei Chenin blanc 2021

This Chenin blanc vineyard was planted in 1984 (the same year that both of us were born). It is the first time that we release a single vineyard wine from this vineyard situated in an arid plain in the Swartland. It is the only double row vineyard that we work with. A quarter of the wine was aged in a concrete egg. The wine also qualifies for the Certified Heritage Vineyards (CHV) seal and forms part of the Old Vine Project (OVP).
