

David & Nadia

Wine of origin Swartland

David & Nadia is a family owned Swartland driven project and we focus on a spectrum of organic, old and dry land bush vine vineyards from different areas with different soil types throughout the Swartland, farmed by like-minded people. We are members of the Swartland Independent Producers.

In the vineyard we aim for biological farming and in the cellar we work as natural as possible. It is all about the soil and vineyards after all. We believe in a pure, fresh and natural style where site and soil are at work with minimal influence from a winemaking point of view.

Grenache noir 2022

The 2022 vintage consists of five Grenache noir vineyards, with the core a vineyard from the Paardeberg planted in the early 2000's. Joining this vineyard is another Paardeberg vineyard, recently planted on the north-eastern side of the Langkloof valley, overlooking the Aprilskloof. Another addition is a 2016 planted vineyard in schist of the Kasteelberg. This vineyard was planted on terraces high up in the mountain. Finally, Grenache noir from a farm north of Malmesbury was also added, a vineyard we have been working with since 2012. Twelve different pickings were done from the five Grenache noir vineyards. A component (45%) of the wine was fermented and matured in concrete. Juice was kept on the skins for four weeks pre-/during fermentation and 60% whole bunches were used. Grapes were punched down and pumped over during alcoholic fermentation, with a minimal and gentle extraction process in mind. The wine was pressed off and matured in old 500 L neutral French oak barrels as well as 2 700 L concrete vessels for a year.
