

David & Nadia

Wine of origin Swartland

David & Nadia is a family owned Swartland driven project and we focus on a spectrum of organic, old and dry land bush vine vineyards from different areas with different soil types throughout the Swartland, farmed by like-minded people. We are members of the Swartland Independent Producers.

In the vineyard we aim for biological farming and in the cellar we work as natural as possible. It is all about the soil and vineyards after all. We believe in a pure, fresh and natural style where site and soil are at work with minimal influence from a winemaking point of view.

Rondelei Chenin blanc 2022

This Chenin blanc vineyard was planted in 1984 (the same year that both of us were born). It is the second vintage that we release a single vineyard wine from this vineyard situated in an arid plain in the Swartland to the west of Malmesbury. It is the only double row vineyard that we work with. This vineyard was harvested on four picking dates from the end of January to the second week of February, and all four lots were kept separate. One third of the wine was fermented and aged in a concrete egg, the rest of the wine was fermented and matured in barrel before blending at the end of the year. The wine also qualifies for the Certified Heritage Vineyards (CHV) seal and forms part of the Old Vine Project (OVP).
